

ENDURO® SEAL

Enduro® is constructed of durable acrylic plastic and designed to provide long service life in harsh environments. Available with a solid body or with a transparent body and solid color insert. Should tampering attempts take place, inclined ramps on the insert force the wire legs to break out of the body, providing visible tamper evidence.

APPLICATIONS

- Doors
- Meters
- Measuring Devices
- Tote Boxes
- Hatches
- In-Bond Shipments
- Scales

FEATURES

- See-through acrylic body with colored insert positively indicates tampering
- Also available with solid body
