

KT PALLET - SECURITY PACKAGING TAPE

The KT PALLET security packaging tape is a pressure sensitive tamper evident tape to ensure pallets are protected throughout the supply chain. Primary markets: Automotive, Agriculture, Aviation, Food & Beverage, Government, Healthcare, Retail, Technology. Attempts to remove or lift the tape will result in the void message being clearly displayed on the pallet wrap substrate and on the tape.

APPLICATIONS

- Shrink Film
- Stretch Film
- Wood
- Plastics
- Corrugated Boxes
- Lumber Wrap
- Vinyl Wrap
- Pallet Covers

FEATURES

- The barcode (or QR code) in this design is the same throughout the whole roll so it can be scanned from anywhere on the pallet
- 1 roll per pallet
- Ensures product integrity
- Improves stock control
- Enhanced customer trust
- All printing and numbering is under-surface/adhesive making it impossible to delete or alter the tape's information
- No adhesive residue remains to allow replacement of tape

MATERIAL SPECIFICATION

- 50 micron BOPP film
- Permanent rubber based adhesive
- Application temperature 10°C - 32°C (50°F - 90°F)
- Operational Temperature: -75°C - 36°C (-103°F - 97°F)
- Storage temperature 15.5°C - 29.5°C (60°F - 85°F)
- Sub-Surface printing security feature with irreversible voiding message on tape and substrate

PRINT/SIZE OPTIONS

- Available as stock seal or personalized to customer instruction
- Color, text, numbering to instruction
- Customizable Numbers, QR codes & Barcodes
- Preferred roll size 30mm x 15m (1.2" x 49')
- Custom sizes available
- Minimum Custom Order Quantity: 120 rolls (2 cases)

STOCK SIZE

- White with red trim - 30mm x 15m (1.2" x 49')
- 60 rolls per case - 1 case minimum order quantity (MOQ)
- 15kg (33lb) per case
- Case size: 11" x 11" x 48" (FF)
